**B. In a few words, how can we make the Detroit Summer Youth Employment Program for youth next summer. Your comments and suggestions are appreciated and welcome.**

<b>Q30: In a few words, how can we make the Detroit Summer Youth Employment Program better next year?</b>		
Theme	Number of Respondents	Examples
No improvements needed/ Great program	39	It was okay. I plan to work here next year also, the program was great, it was actually pretty good, it was great to me- didn't have not one problem this year, nothing really everything was fine to me, the program is already good without any changes, I think its great- nothing should change, well this was my first year and I found it to be a really great program, same thigs you did this year
Increase pay, hours and length of program	47	Start earlier, I would like to work longer and get more money, make it longer, let employees work longer hours, have more youth development skills and longer work weeks, more hours and work longer, work longer than six weeks and get paid more, longer work period, we can make it better by working longer hours and making more money, the Detroit Summer Youth Employment Program can be better next year if we are paid in full. Also, if the youth can work more hours, you can make it better by providing more hours, better pay, more hours to 18 and older, i think giving youth an option to work more hours will be better, more hours for more pay, offer more hours- some of us are capable of working more than 20 hours, add more hours and start the program earlier
Get checks out on time, more organized	35	By being more orgnaized, Being more organized and already having the houses lined up for the youth to weatherize, be a little more organized, be a bit more organized and make sure that pay is recieved, make it more organized, stop getting in circles and be organized with setting appointments and just overall period, you all need to be more organized and professional, you guys could be a bit more organized and answer/return phone calls
Better matched jobs, more jobs	29	More active and interesting jobs, let kids go out to get lunch on their lunch breaks, more interesting topics and better cleaning environment, have more interesting jobs for teens. Try to have jobs for people that has to do something with the career field they plan to do, find out what participants are interested in and give them jobs based off of that.
Disburse t-shirts on time	8	Give out shirts early in the beginning so it wont be a problem when getting on the bus, give them their shrirts on time so the bus drivers will not give them any grief, it can be better next year by having two shirts, have shirts on time, lunch seved and bus cards, by bringing me my shirts, become more organized and do as required for the youth (i.e., cards, shirts, supervisors), maybe be more straight to the ponit with the shirts, hats, and checks next year but other than that everything is good
Make sure people get along, stay positive, has a positive attitude, follow rules (dress code)	8	Less people, less drama, I think we should make sure people get along,

More activities	9	Fix up building, more activities, be able to go out for lunch and more interesting visitors, having more activities for the workers, by making it more fun and participating in fun activities, more activities and field trips, better information on through the year activities, do more activities and go out more so we can explore and clean up at the same time
Lunch issues	4	By having better lunch breaks, let kids go out to get lunch on their lunch break, have lunch served
Transportation issues, free parking	4	Place us at a location near our house, so that our parents don't have to drive extra, I feel we should get more hours for older youths than the younger youths. Free parking for worksites that we drive to. Everything else was great!
I want to work with the program/site next year	4	I think that we should be able to pick or suggest a work place that is available. Also, we would like to participate in the program throughout the year, really, I don't feel that it needs to change, it is good as it is. I only feel that we can have more hours. I would like to participate throughout the year
Tell more people about it	2	The Detroit Summer Youth Employment Program for youth next summer can be better by getting more kids and stop 20 and 21 year olds
Opportunity to make up missed days	1	To offer people who work late, time to make up their money
More volunteers/crew members, community service	4	Have more crew members, new crew members
Not sure	3	Not sure. I had fun and learned a lot
